PART THREE

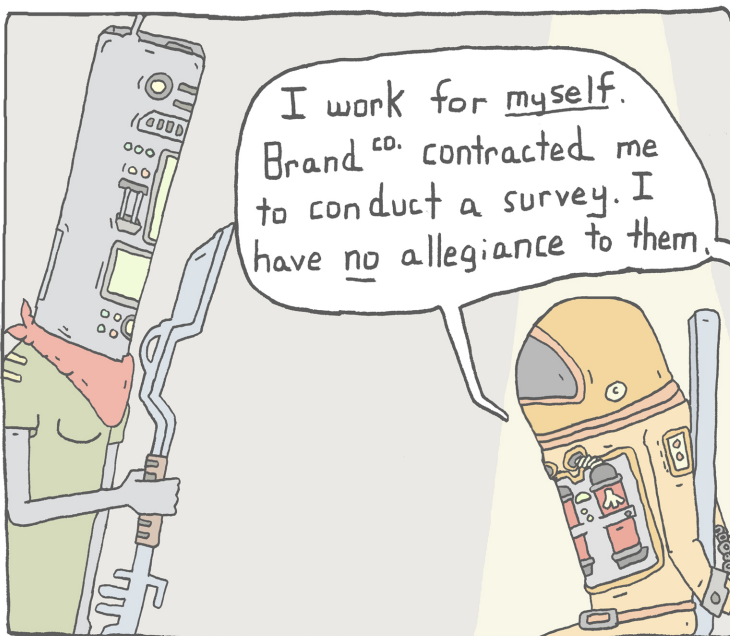

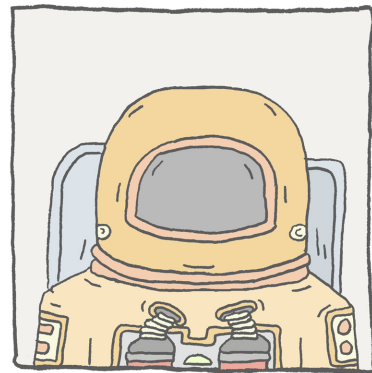

STOP trying to escape. It is futile - and we are not going to torture you. We just need information about your employer.

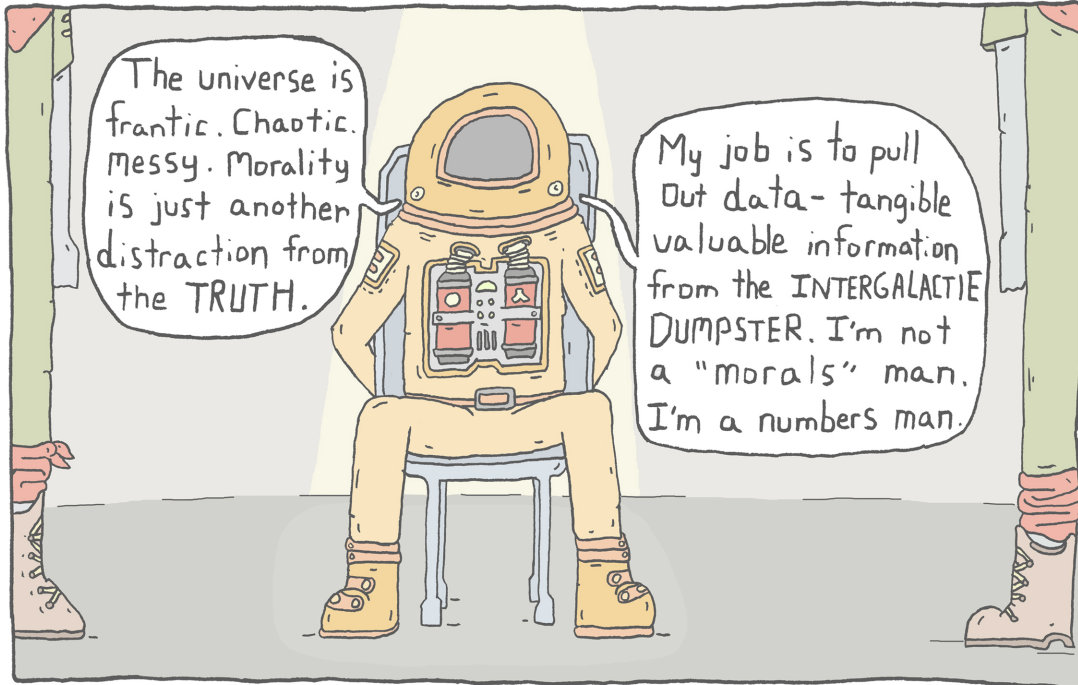

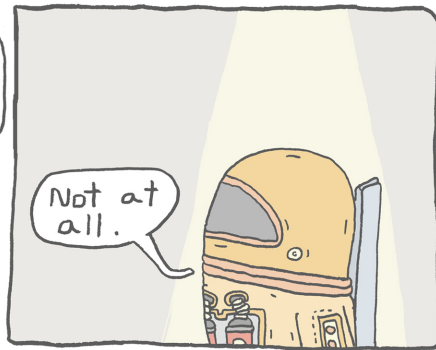

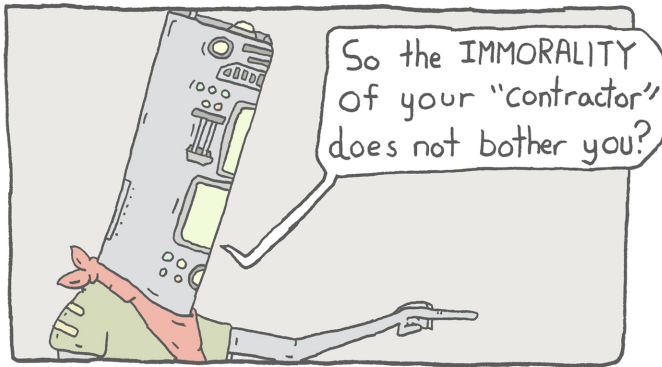

DO YOU UNDERSTAND?

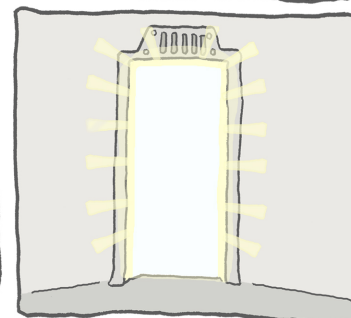

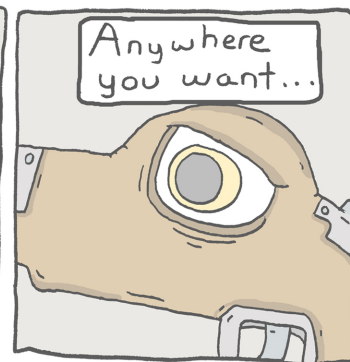

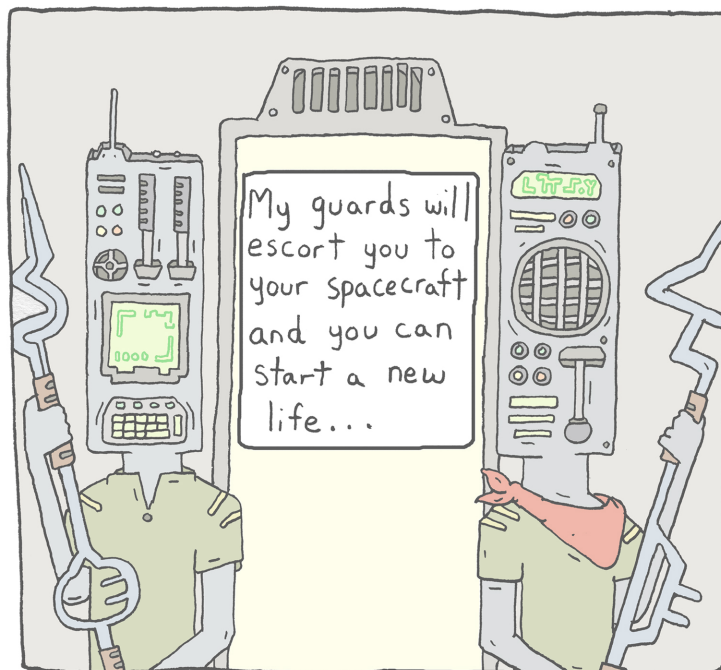

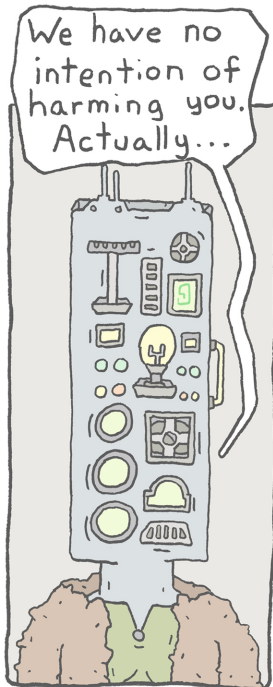

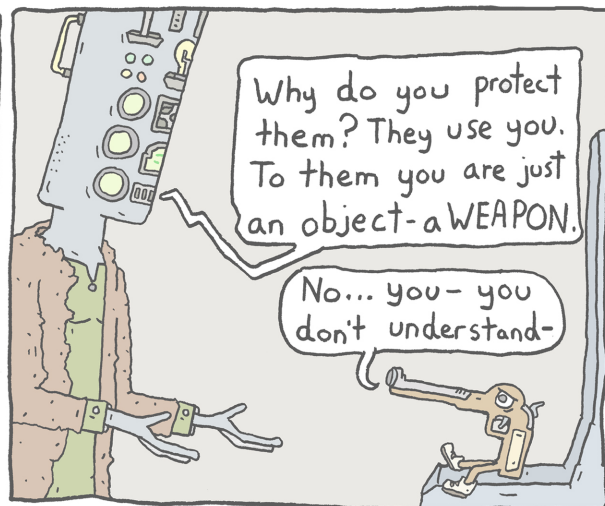

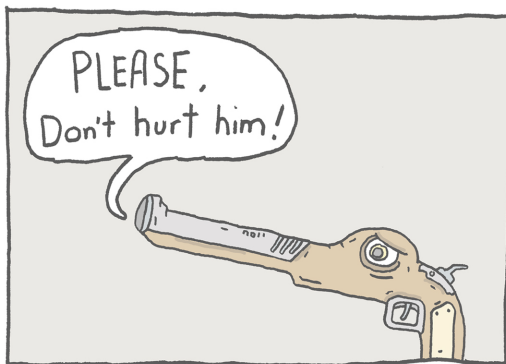

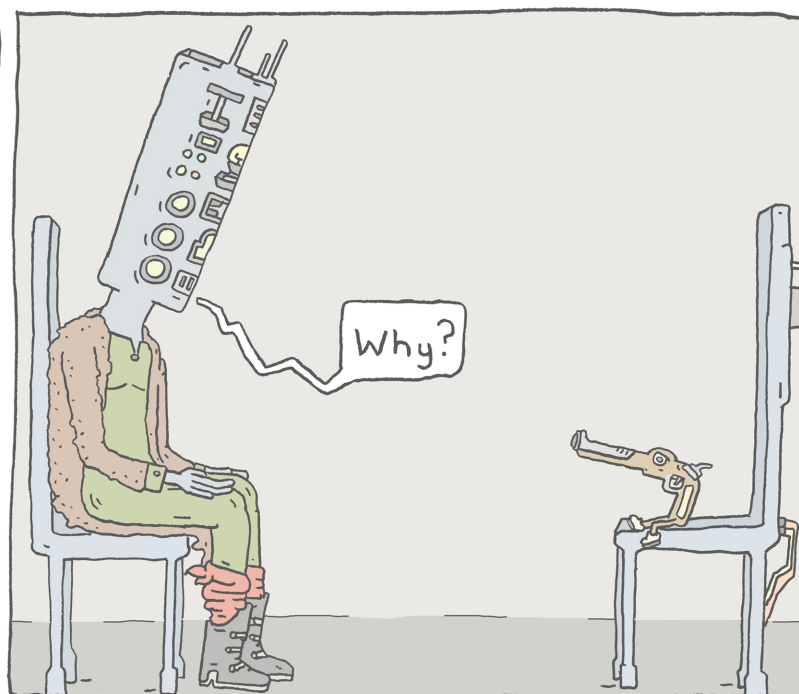

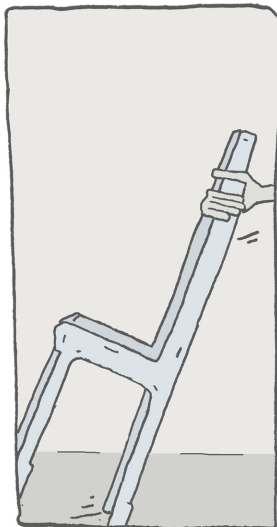

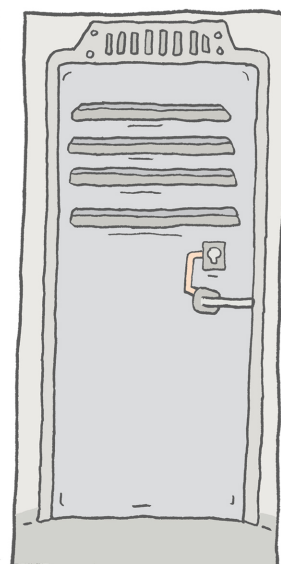

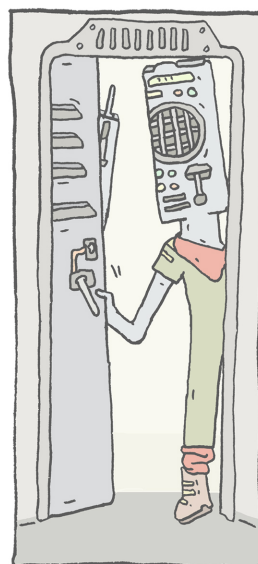

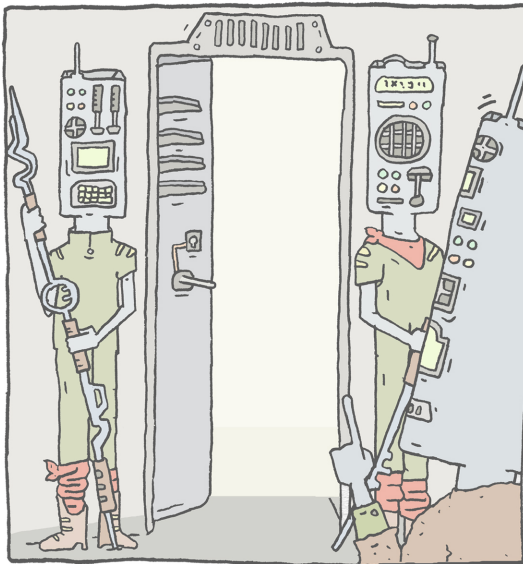

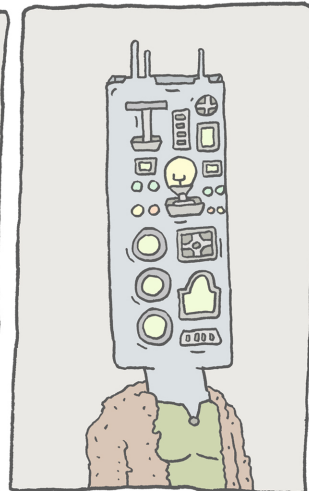

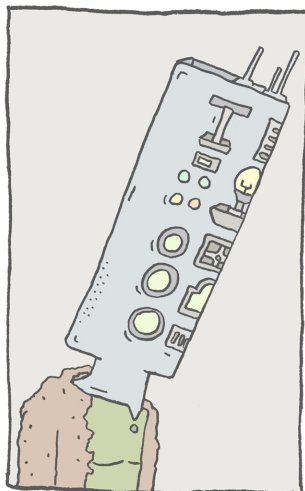

I work for myself. Brand^{co.} contracted me to conduct a survey. I have no allegiance to them.

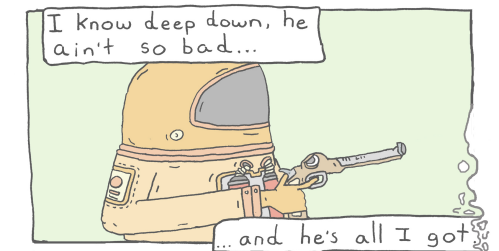

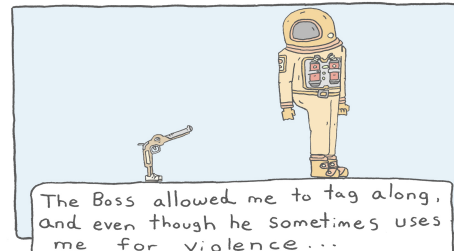

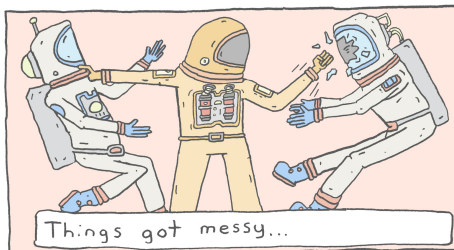

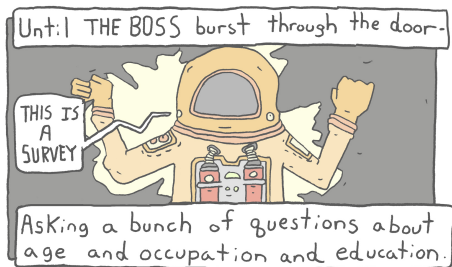

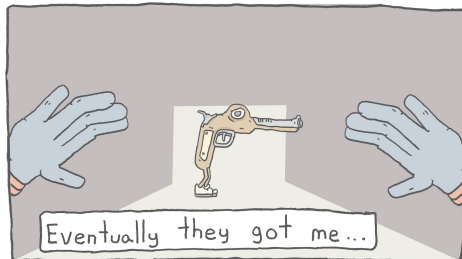

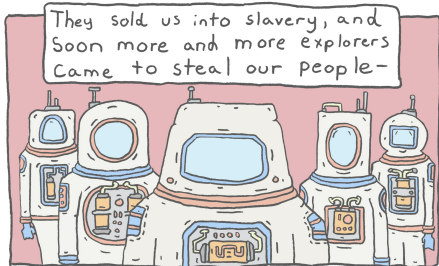

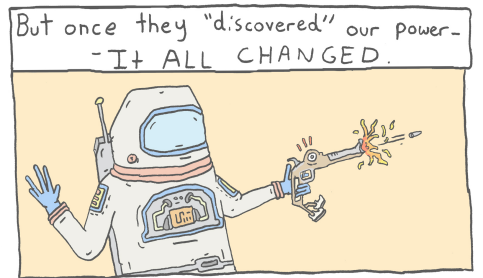

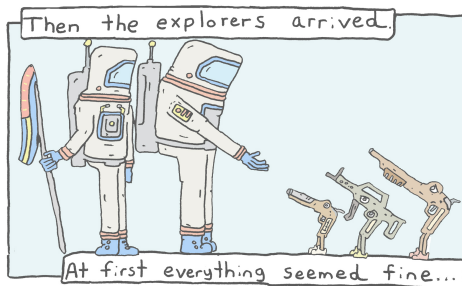

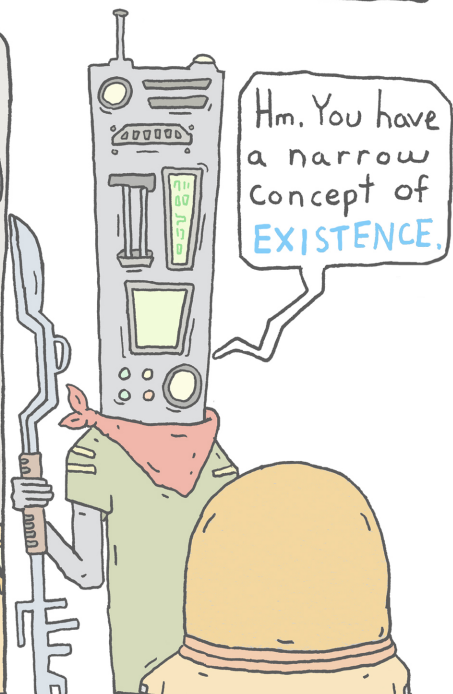

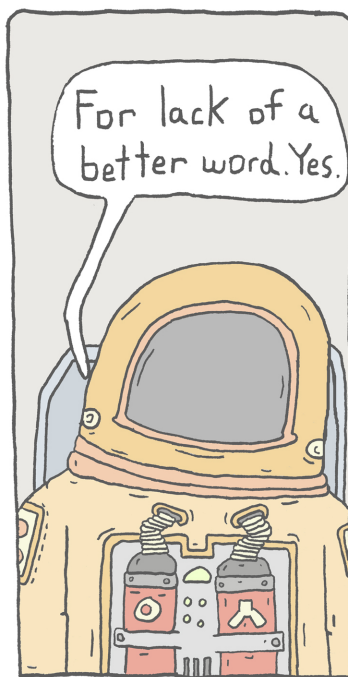

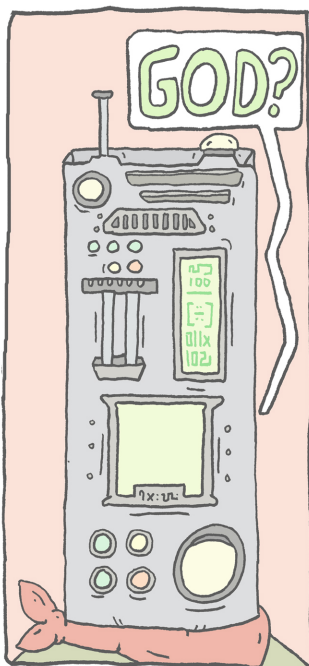

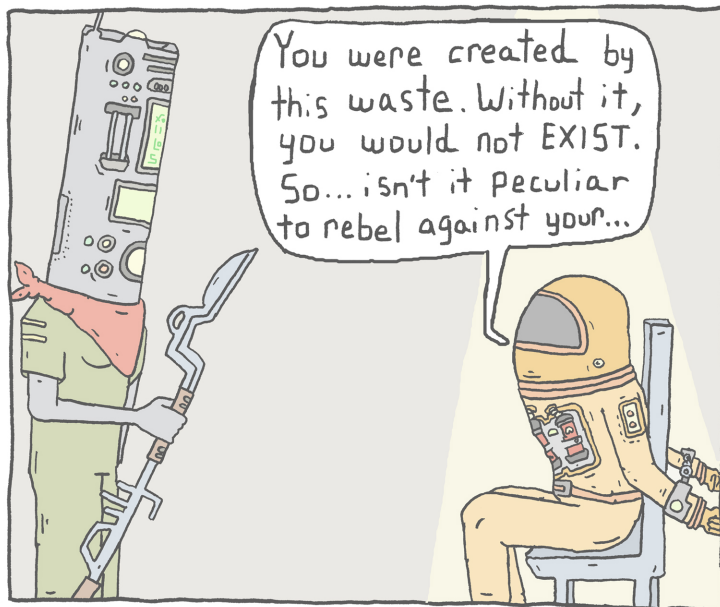

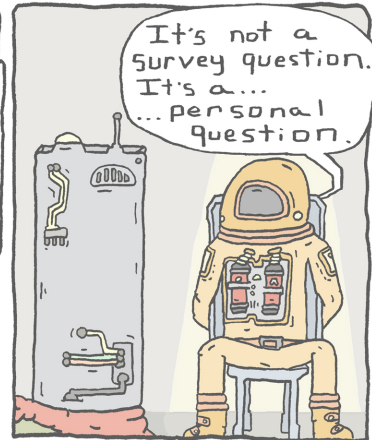

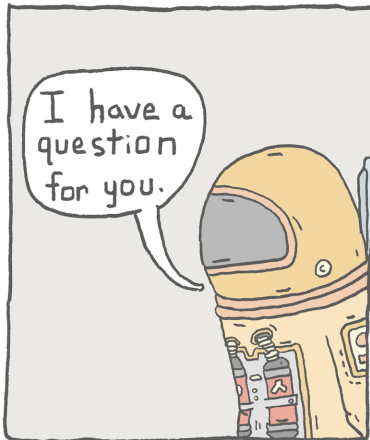

BUT; I legally am unable to disclose ANY information to you.

WE HAVE ALWAYS EXISTED HERE...

...IN THE SOIL,
THE WATER,
THE
MOLECULES
OF THIS
PLANET.

IT GAVE US THIS
ELECTRICITY
THAT BURNS IN OUR
VEINS, THE POWER
THAT WE DEPEND ON
TO LIVE IS ALSO
DESTROYING
THIS PLANET...

ALL WE CAN DO
IS TRY AND
STOP THIS
FROM EVER
HAPPENING AGAIN

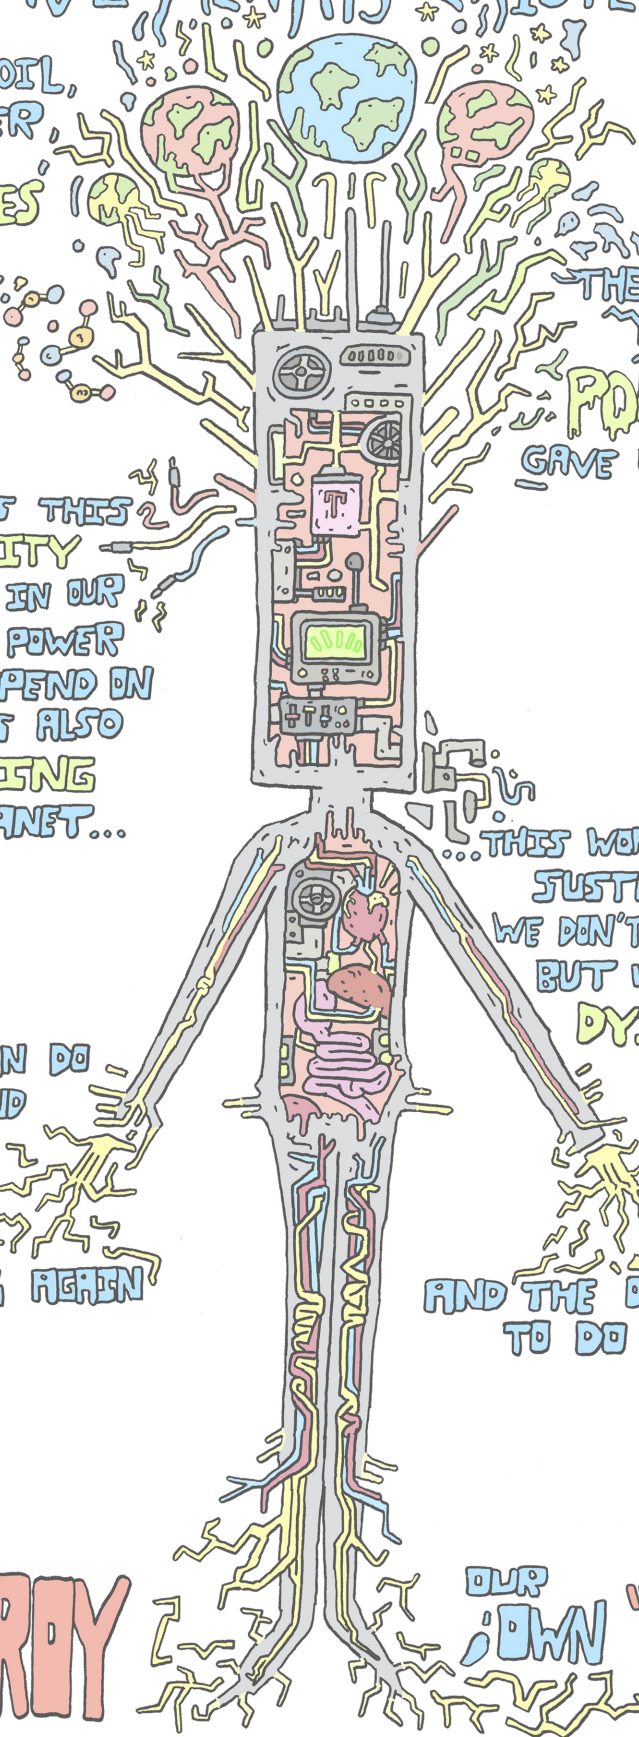

IS TO
DESTROY

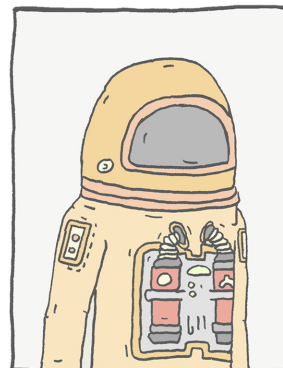

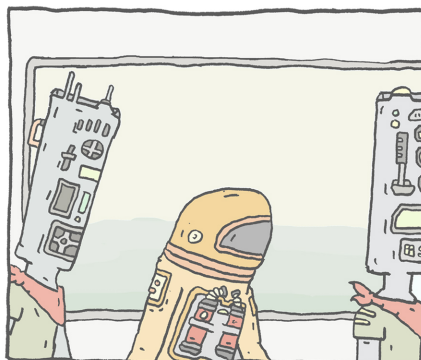

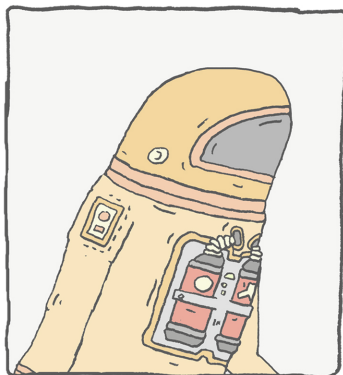

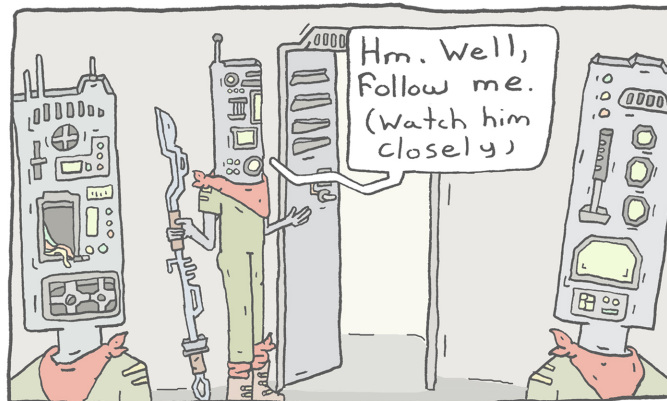

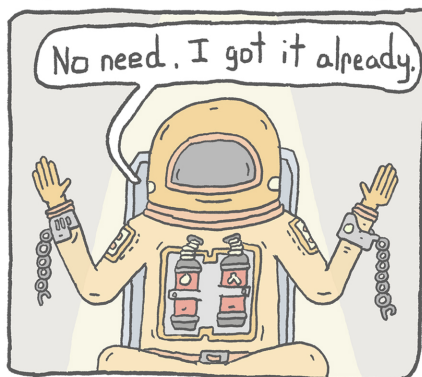

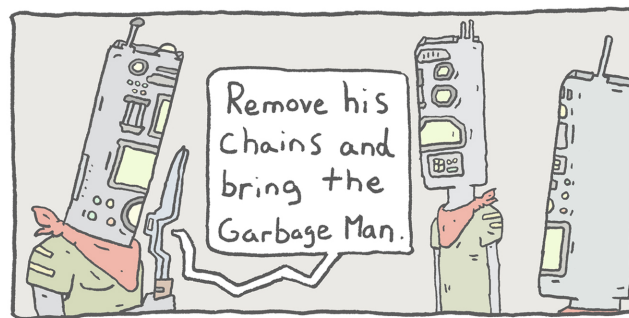

THE POLLUTION-
YOUR
POLLUTION
GAVE US THIS FORM

...THIS WORLD CANNOT
SUSTAIN US.
WE DON'T KNOW WHEN-
BUT WE ARE
DYING.

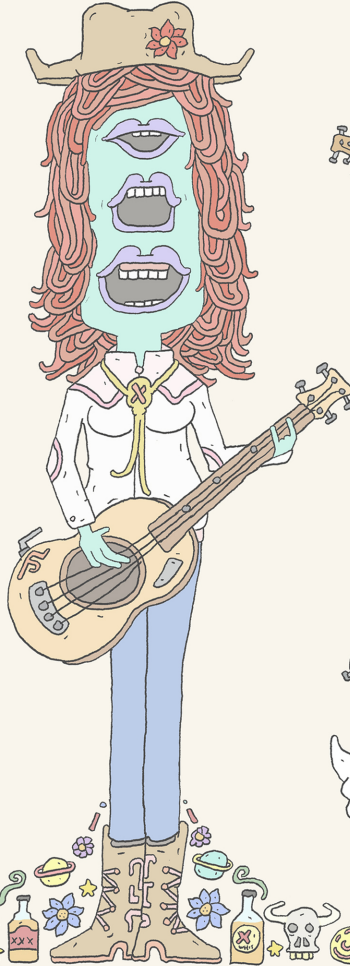

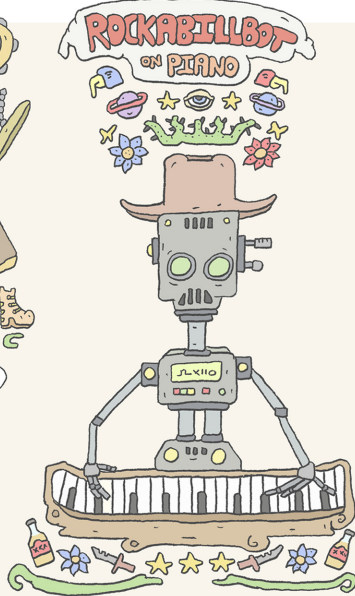

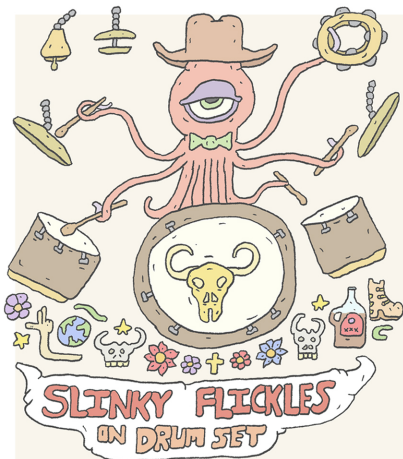

AND THE ONLY WAY
TO DO THAT...

OUR
OWN "GOD"

It appears you have responded to our first communication -OUR DECLARATION OF WAR - by sending a data collector, and a heavily armed one at that. This leads us to believe that you are not taking us seriously - that our justified rage is nothing but a speed bump between you and your UNQUENCHABLE GREED. WE DO NOT BOW DOWN TO YOU!

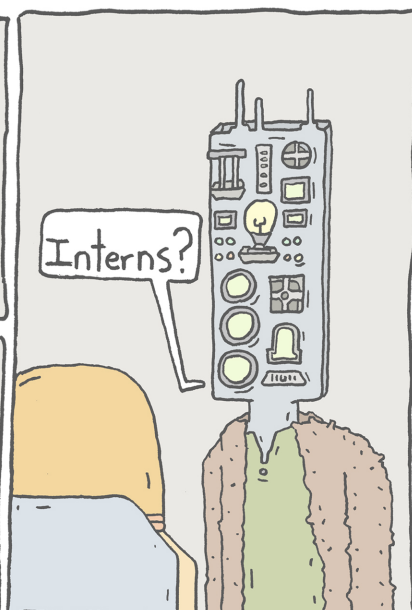

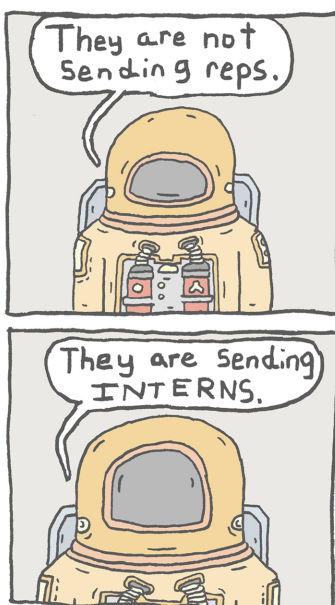

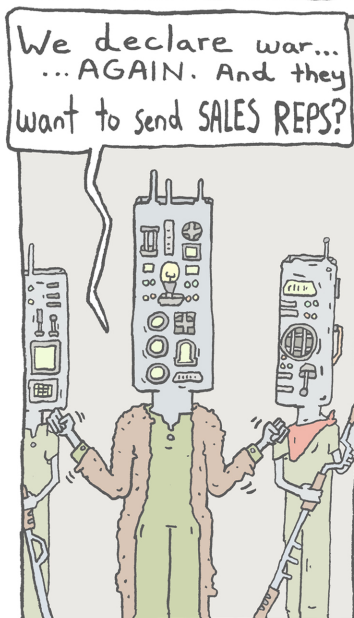

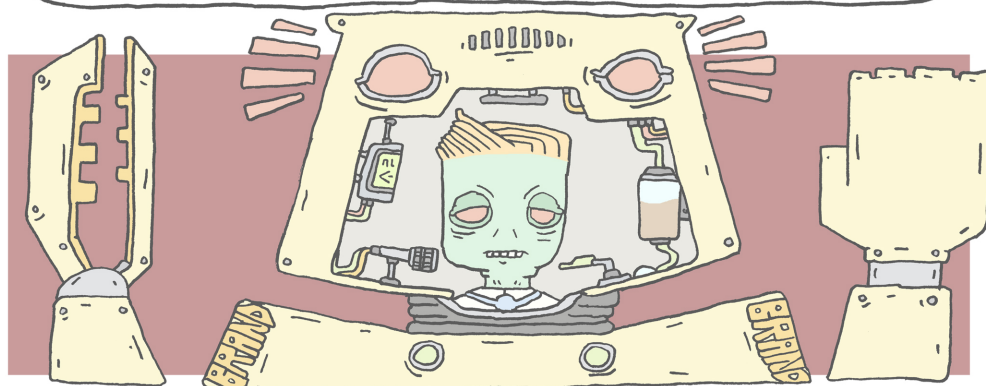

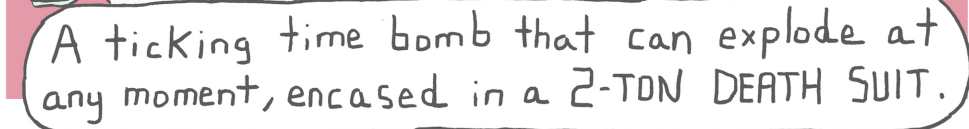

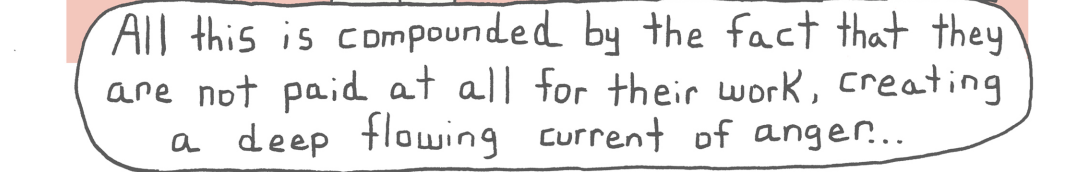

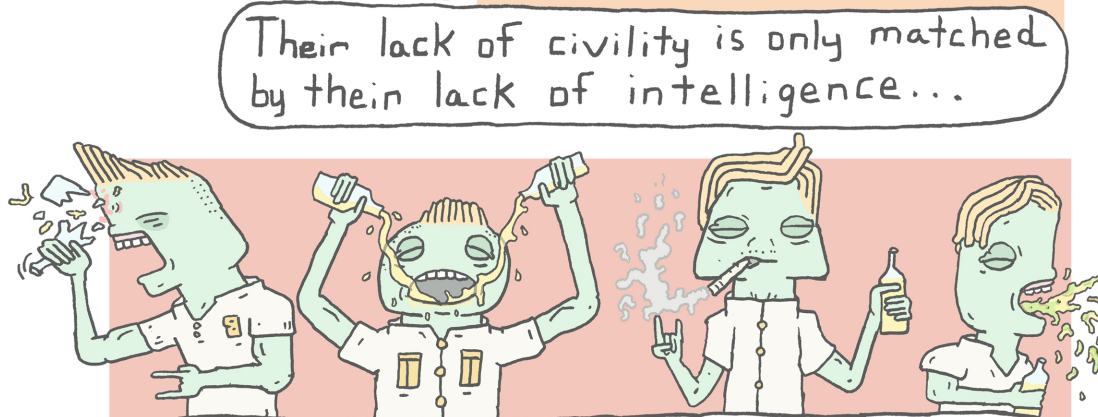

Or your data stooge.

I'm sorry that he has Offended you folks. Look, we barely know the guy, so feel free to do whatever you want with him.
